LETTER REQUESTING INITIALED PTO 1449 FORM

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

SEP 21 2006

Sir:

In reviewing the above-captioned application file, the undersigned has noted that even though the Examiner initialed the PTO 1449 Form filed on December 31, 2003, there is a line crossed through PCT references 99/14370, 99/20798 and 92/11390 because copies of the references were not provided. However, the references are foreign language equivalents of U.S. patents 6136568, 2002/0025525, and 5800984 respectively. The US patents were included among the references filed which were considered. The crossed out references are also listed on the International Search Report (ISR). Copies of the 1449 form and ISR are enclosed for the Examiner's convenience.

The Patent and Trademark Office therefore is respectfully requested to return the initialed form without the strike-through lines to the undersigned as soon as possible.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §1.16 or under 37 C.F.R. §1.17; particularly, extension of time fees.

Respectfully submitted,

BIRCH, STEWART, KOLASCH & BIRCH, LLP
